

Resident Camp, Adventure Trip & Teen Leadership SCHOLARSHIP APPLICATION

The United Way of Portage County, the YMCA Annual Campaign, Y Camp Scholarship Fund and many other gracious donors make it possible to provide scholarships to youth who would not otherwise be able to participate in YMCA Camp Glacier Hollow programs. These programs offer youth an incredible opportunity for growth, leadership, and most importantly, fun! Please refer to the specific brochure for each program that outlines the program description, dates, and details. **Please contact the Child Development Office at 715-342-2999 for scholarship information on our Summer DAY Camps.**

Application Process:

1. Complete the attached application form and all program registration materials, and return to the YMCA as soon as possible. You will be notified about scholarship decisions within a few weeks of receiving your application. Scholarship requests are processed on a first come-first serve basis.

Return to: Pete Matthai – Camp Director, Stevens Point Area YMCA, 1000 Division Street, Stevens Point, WI 54481

2. When completing the application, please note:

___ A School District or Social Services Representative must sign and confirm eligibility for Free or Reduced Meals, FoodShare, or W-2 Cash benefits; **OR** Income Verification must be attached. **Not being eligible for free or reduced school meals, FoodShare or W-2 Benefits does not disqualify potential scholarships.**

___ Parents/guardians be sure to **fully complete** all sections and requirements of this application and the camp registration form. Remember to list all reasons or circumstances that you feel should be considered in the scholarship selection process. You may attach additional pages.

___ Section "To Be Completed By Youth" is to be filled out by the youth to the best of his/her ability (assist as needed).

3. **Once we have received your scholarship application and all registration/application materials a space will be reserved for you in the first program you requested, unless it is full.** We will contact you for additional options if your first choice is full. This space will be held until the date specified in your scholarship contract form. To guarantee a space after the hold date you will have to submit any required deposit/fee as indicated in your scholarship contract.
4. After receipt of your application, we may contact you to schedule an appointment to discuss a possible scholarship, family partnership amounts, payment schedule, and answer any questions you may have.
5. The information you provide is considered confidential and will be seen only by the YMCA professional staff.

Scholarship funds may be limited for residents outside of Portage County depending on the source and availability of funds. We still encourage outside participants to apply, but also urge you to think about what might be available in your community. Teachers and families have been instrumental in obtaining scholarships for their own students/children from local agencies and service organizations such as the Kiwanis, Rotary, Optimists, various outdoor clubs, Lion's Club, Association for Children with Learning Disabilities, local clubs/organizations, PTAs/PTOs and your school district. **If you know of a potential sponsor we encourage you to also contact them.**

If you have any questions, please contact Pete Matthai, Camp Director at 715-342-2980, ext 308 or by email at pmatthai@spymca.org. We are looking forward to a summer of great adventures and fun!
