CHARACTER DEVELOPMENT

The Stevens Point Area YMCA is dedicated to providing a safe and fun environment which creates lasting memories that grow the mind, body and spirit of each camper. YMCA Camp not only teaches ecology, canoeing, team building, sports, archery and more; we teach values through these programs. YMCA character development is not a program—it is a focus for everything we do at Camp. The Y: We’re for youth development, healthy living and social responsibility.

OUR STAFF

Led by the full time professional leadership team—Tiffany “Gecko” Praeger–Camp Director and Chelsea Kelly–Great Escape School Age Director—our camp staff are our most valuable asset. Camp staff are college age, with interests in environmental studies, teaching and other disciplines. We carefully select staff exhibiting good character, leadership skills, and the ability to make sound decisions, to provide campers with a meaningful and safe camp experience.

Staff participate in an intensive week-long training that emphasizes leadership development, and the safety and welfare of our campers. Programs at Camp Glacier Hollow have qualified medical staff on site.
FINANCIAL ASSISTANCE IS AVAILABLE

It is the goal of the YMCA to provide educational, social and physical development services to people, regardless of their ability to pay. Waiver or reduction of fees is available subject to facility and program capacity and demonstrated need, without regard to race, gender, religion, national origin, age or physical or mental handicap. A survey for all subsidized rates will be sent to email address provided on registration form. A completed survey is required for all subsidized rates. Contact us for application materials. Scholarships are provided through generous contributions. If you would like to help ensure that every child can go to camp, please see page 15.

TIER PRICING FOR RESIDENT CAMPS
Choose The Price Level You Can Best Afford

Please consider selecting the highest tier you can afford to allow YMCA Camp Glacier Hollow to best stretch our funding and continue to improve the quality of each camper’s experience.

PRICE A Most accurately reflects the cost of YMCA Camp Glacier Hollow.

PRICE B A partially subsidized rate, but more closely reflects the actual cost of camp.

PRICE C Our historically standard rate, which does not represent the true cost of camp.
